# 29<sup>th</sup> European Immunogenetics and Histocompatibility Conference

April 26-29, 2015

---

## WELCOME TO THE 29<sup>TH</sup> EUROPEAN IMMUNOGENETICS AND HISTOCOMPATIBILITY CONFERENCE (EFI)

---

We are happy to invite you to the next EFI European Federation for Immunogenetics Conference in Geneva Switzerland, 26-29 April 2015. We have prepared a meeting with world class speakers in the field of Genetics, Immunology and Transplantation, with a focus on pluripotent stem cells and a WHO/ WMDA special session. Join us in the smallest of the international cities located in the middle of Europe with easy connections. We hope to welcome you soon in Geneva and in the meantime visit our website at [www.EFI2015.org](http://www.EFI2015.org)

**Geneva:** Imagine a place that brings the world together... Geneva, this multi-faceted city of humane dimensions, has all a metropolis can offer. Geneva is in the centre of Europe and therefore just a stone's throw away – by all means of transport. International airport with direct flights to over 130 destinations, low cost carriers & high-speed trains from European cities. First rate hotel infrastructure with over 118 hotels and 9,000 hotel rooms. [www.geneve-tourisme.ch](http://www.geneve-tourisme.ch)

**Conference Venue:** The International Conference Centre of Geneva is conveniently located near the International Airport, the railway station, the international organizations, Lake Geneva and the historic old town. A vast choice of hotels offers the best hospitality close to the conference center. [www.cicg.ch](http://www.cicg.ch)
